In addition to the general information mentioned at i to X above, the institution may highlight the following, if it so desired:

History of the Institution	Vidyaa Vikas College of Education is located in Varahoorampatty, Andipalayam, a rural area, some 6 Kms, from Tiruchengode, Namakkal District. Actually this college caters to the needs of rural graduates and post graduates to complete the professional training so that they can be awarded B.Ed and later M.Ed., Degree to become full fledged teachers in the High and Higher Secondary Schools. Vidyaa Vikas College of Education is run by Vidyaa Vikas Educational and Charitable Trust which also runs an excellent Engineering College, High and Higher Secondary Schools, attached both to the State Board of Education and Matric Board. Because of these quality conscious Educational Institutions, Varahoorampatti village is fast becoming a well developed and posh suburban area adjacent to the town Tiruchengode. The well Administered Vidyaa Vikas High and Higher secondary schools also serve as typical model schools for this college of Education where the B.Ed., Trainees take their teaching practice. (But of course this college of Education also utilizes the services of the nearby Government and private High and Higher Secondary Schools for the sake of providing Teaching Practice for the B.Ed Trainees) Vidyaa Vikas Educational and Charitable Trust which is running Vidyaa Vikas College of Education consists of 16 Directors and most of them are well Educated and Former Teachers and Headmasters of Government Higher Secondary Schools located in and around Tiruchengode. The Primary aim of the Trust is to establish and run good Educational Institutions to provide Quality Education to the Rural students who cannot have access to the Elite Town and city Institutions. Graduates and post - Graduates in this Rural area, get Professional Training (to become high and higher secondary school teacher) which is comparable to the training offered by the well established colleges of Education in other parts of the state. Actually Vidyaa Vikas College of Education is a boon to this rural area. This college of Education was started in June 2005 with recognition from NCTE, Bangalore and then Affiliated to Periyar University, Salem. From the year 2008 the college was Affiliated to Tamilnadu Teachers Education University, Chennai - 5. Vidyaa Vikas Educational and Charitable Trust is doing everything possible to offer good quality Teacher Education to the Graduates and post-graduates. The college has been provided with excellent infrastructural and Instructional facilities, on par with any Good Government or Private Colleges of Education in this part of the country. The College has state of the art Language Laboratories, Science Laboratories a very good Library with about 7296 Books, Excellent Computer Centers, workshop (for producing teaching - learning materials) seminar halls with LCD projection facilities and so on. The Trust has appointed well Educated and Experienced Teacher - Educators to provide Good Quality Teacher - Education to the rural Graduates and Post Graduates. The main problem faced by the Administration is financial. As the college is a self - financing type, the administration does not receive any grants from Government or other Agencies. The fees paid by the students are not sufficient enough to run the Institution with the aim of maintaining Very High Standards. The Management has come forward to help the Institution.
